Library Account Policy

- Library Accounts for Phoenix residents must be renewed every three years.
- Library Accounts for Maricopa County residents outside of Phoenix must be renewed every year.
- eCards, group home resident, and teacher/educator Library Accounts must be renewed every year.

New Library Account Holders who cannot provide proof of current address will be issued a Library Account with restrictions, allowing check out of a maximum of three (3) items from the Library's book and media collection, but will have full access to computers and online materials. Once new Account holders provide a current proof of address, the restriction will be removed.

Those under the age of 13 must have approval from a guardian in order to be issued a Library Account. Guardians must meet ID requirements listed above.

Applicants between the ages of 13 and 17 ("Teen Applicants")ⁱ do not need a guardian's permission to be issued a Library Account. Teen Applicants will be issued an account upon presentation of current photo ID, which can include a school ID. Teen Applicants without photo ID will have a library card mailed to their residences. These accounts will have a one-time, three item check-out limit from the Library's book and media collection. Upon returning with the library card, the account holder will have full account privileges.

Phoenix Public Library respects the privacy of Library Account Holders and will not release or update library account information for account holders over the age of 13 without the account holder's prior permission, unless required to do so by law.

eCards are used for immediate remote access to electronic services through the library website.

The Library's eCard program enables Maricopa County residents to be issued a Library Account online. Upon successful completion of the eCard application, Account holders will have access to all phoenixpubliclibrary.org online resources. An eCard account holder may show current photo ID at any Phoenix Public Library location to receive a Library Account with full library privileges.

The eCard technology cannot verify eligibility in all cases. An eligible Maricopa County resident who is unable to successfully complete the eCard registration process may visit any Phoenix Public Library and show photo ID to be issued a Library Account.

Within this maximum, personal Account holders are limited to:

Library Account Holders can view their total items out, see due dates, and place up to 6 hold requests through [My account](#) on phoenixpubliclibrary.org.

Phoenix Public Library will notify the Library Account holder when the hold is available for pick-up at the selected location. Held items must be checked out by the date listed or the item will be made available to the next requester. Holds may only be checked out to the Library Account used to place the hold unless the account holder has chosen to associate their account with that of another account holder.

Library Account Associations

Library Account associations are used only to facilitate others checking out holds.

In order to create an association, both Account holders age 13 and over must agree to the association and present their library cards to staff. Either of the associated parties may break the association at any time without the other person being present. An association may be made between existing Library Accounts of a legal guardian and their children under the age of 13 without the child being present.

eLibrary

Phoenix Public Library provides access to a wide range of digital materials from a variety of sources. Access methods, check-out limits, hold options, and loan periods vary according to resource. Visit [Phoenix Public Library's eLibrary page](#) for a current listing of all eLibrary options. eLibrary check-outs are not included in the 35-item limit for books and media and most will not be visible through [My account](#).

Interlibrary Loan

Interlibrary loan allows customers to access print material not owned by Phoenix Public Library.

A Library Account holder with full privileges may have a maximum of six (6) Interlibrary loan (ILL) items requested or checked out at any time. Account Holders with a three-item restriction cannot use ILL. Interlibrary loans are not included in the 35-item limit for Books and Media, will not be visible through [My account](#), and are not eligible to be renewed. Only personal Library Account Holders may borrow ILL materials.

Library Account Policy

Fees and Account Blocks

Phoenix Public Library does not impose a daily overdue fine for the late return of materials. Customers are expected to return borrowed materials on time and Phoenix Public Library issues bills for replacement fees on non-returned and/or damaged items. eLibrary items cannot become overdue.

Library Account Holders may be notified of overdue materials. Those who agree to be contacted by email or text message may receive:

3 days before item is due	Courtesy Notice
3 days late	First overdue notice
10 days late	Second overdue notice
28 days late	Third overdue notice
51 days late	Bill issued for item Replacement Fee

The Replacement Fee is the amount listed in the library record at the time of purchase or \$25 if no price exists in the Phoenix Public Library record.

Library Account Holders may not check out or renew library items if the account balance is greater than \$25. Accounts will also be blocked for overdue Interlibrary Loan items. Phoenix Public Library may use a collection agency to communicate outstanding account balances. In the event an overdue account is sent to a Collection Agency, a non-refundable \$15 fee will be added to the account.

My account Management and Access

Phoenix Public Library's [My account](#) feature enables account holders to place holds and renew their Books and Media items, update their contact preferences, and otherwise manage their Library account. Phoenix Public Library's various eLibrary resources have similar account management features. Library Account Holders are responsible for keeping online accounts secure by creating strong passwords, changing them at least once a year, and not sharing passwords with anyone, including Library staff.

Library Account Holders have the option to track their reading history through [My account](#). This feature is not enabled by default.

Library Account Policy

Phoenix Public Library will not provide account access to another account holder's account (including accounts that are associated). The exception is that legal guardians of children under 13 may have access to their children's accounts.

Library Account Holders should report any suspicious activity on their account to a staff member immediately. See the [Library's ePrivacy policy](#) to learn more about how Phoenix Public Library safeguards personally identifiable information.

Lost Cards

Library Account Holders are responsible for reporting lost or stolen library cards and key tags immediately to library staff. Account Holders are responsible for all items checked out by anyone using their Library Account. A replacement card will be issued to the Library Account holder at no cost with presentation of valid photo ID.

Teen account requirements have been updated as a result of the [Children's Online Privacy Protection Rule \("COPPA"\)](#).--
