FREE SUMMER PROGRAMS
@ Century Library | 1750 E. Highland Ave.

**Teens**

**Buttons!**
Express yourself and have fun hanging out and making your own unique buttons.
2 p.m. Saturday, June 24

**Adults**

**Rachel Bess:**
**Planting a Garden in the Valley**
Learn about what you can plant in your garden now, and what you can plant in fall. Bonus: we’ll also be making a pot from newspaper!
2 p.m. Saturday, July 8

**SUMMER READING GAME**
Kids, teens & adults can play!

**BUILD A BETTER WORLD**
JUNE 1 - AUGUST 1, 2017
maricopacountyreads.org

**Kids**

**Tuesdays at 2 p.m.** Please note, no program on July 4.

**June 6  Reptile Adventures**
Snakes in the library! Meet some of Rich Ihle’s extraordinary reptile friends.

**June 13  Science Fun with Mark Carter**
Air Powered Toys! Learn how to make and fly an amazing flying contraption called a Tumble Wing, how to make an air powered, hovering, vortex creation compression toy and more!

**June 20  The Magic of Richard Steele**
Be astounded by mind reading and other feats of magic as renowned magician Richard Steele takes the stage.

**June 27  Moana**
Join Ariel and Moana for some under the sea fun! We’ll be reading our favorite stories, learning how to be a princess, and dancing with the Island Princess!

**July 11  Juggler James Reid**
Juggling and more FUN! Have a laugh and be amazed by juggling tricks seen nowhere else.

**July 18  Science on Wheels**
Conduct a fun experiment and learn something new with Arizona Science Center.

Noon - 1 p.m. Wednesdays  **Drop-In Program**
Join us each Wednesday, June 7-July 26, for a fun, hands-on STEM program--build circuit bugs, wobbly robots and more!

To register for programs or for more information, visit phoenixpubliclibrary.org or call 602-262-4636 (for TTY dial 7-1-1).
