

Customer Use Agreement – WiFi

I agree to use Phoenix Public Library's WiFi in a responsible manner. I will not use the Internet for any purpose prohibited by federal, state or local laws or regulations. I will not misrepresent myself by any means and will use only the library card authorized for my use. I will not alter hardware or software, nor make copies of copyrighted or licensed material or data unless such use is authorized.

I understand that the Library is compliant with the Children's Internet Protection Act (CIPA), and uses filtering software to screen out sites which may provide access to visual depictions that are obscene, child pornography, or harmful to minors. I will not send, receive or display visual depictions that are obscene, child pornography, or harmful to minors.

I agree to use appropriate discretion when viewing materials and will refrain from displaying materials on a terminal when so requested by Library staff. The Library's policy, "Maintaining a Safe and Appropriate Library Environment," details customer standards of conduct and procedures related to the violation of these standards. Customers may request a copy of this policy from Library staff.

I understand that failure to comply with this agreement may result in the loss of Library privileges, up to and including permanent trespass from all Phoenix Public Library facilities. The Library has no control over information obtained through the Internet and cannot be held responsible for its content or accuracy.

The Library assumes no responsibility for damages, direct or indirect, for the use of the Internet including, but not limited to, damage to the customer's computer equipment.

I accept these terms of use.
