

Seed Library

Growing Instructions

Onions

Evergreen Hardy & Parade Bunching

Planting:

- Sow seeds Oct–Mar.
- Plant ¼" deep; thin to 1–2" apart.

Sun:

- Full sun; light afternoon shade as temps rise.

Water:

- Keep soil evenly moist for tender stalks.
- Mulch to maintain moisture.

Soil:

- Loose, well-drained soil enriched with compost.

Care:

- Feed lightly mid season.
- Continual harvest encourages new growth.

Harvest:

- Pick once stalks reach ½" **thick**.
- Cut at soil level or pull whole plants.
