

Seed Library

Growing Instructions

Zinnia – Golden & Orange

Planting:

- Sow **Mar–May** or **Sept.**
- Plant seeds **¼" deep**; space **10–12" apart**.

Sun:

- Full sun; thrives in heat

Water:

- Water deeply but infrequently.
- Allow soil to dry slightly between waterings.

Soil:

- Well-drained soil; avoid over fertilizing.

Care:

- Deadhead spent blooms for continuous flowers.
- Good airflow helps prevent mildew.

Bloom:

- Blooms in **55–70 days**.
- Attracts bees and butterflies.
